Spring is here again when trees and flowers rival to outdo one another in their glorious colours and beauty. Our alma mater has withstood the test of time for 82 years and has produced much fruit spread around the world. The building too has seen many changes and our primary school building will be celebrating its 70th anniversary. Below is an email from Sr. Jeanne Houlihan. It is self explanatory and if you have some 'treasures' from school days in the past, please pass them to Sr. Jeanne and share them with us.

Dear Gertrude,
Fabulous Newsletter! The Ontario Maryknollers are great. Is it possible to communicate that our MCS Primary Building will be celebrating 70 years? We are part of the heritage # 3. When we reach 100 years it should be #1
There will be an exhibit of artifacts from our beginnings. We are looking for any report cards, uniforms, white and blue - the first, pictures, first Holy Communion documents as many would have been taught by Srs. Rosemary, Matthew Marie, Santa Maria, Corinne,
Do you have any letters the Sisters wrote you and you kept?
The exhibit will be in October but we do need the artifacts before that.
Many thanks.
P.S. Heritage # 3 means we may not alter the exterior of the building. Dr. Wong, retired internist and active photographer and president of HK Photographers Association, said he would not demonstrate to keep the Tsim Tsa Tsui clock, but, if anyone thought of pulling down our MCS, he would demonstrate. He is 80 years old. He will be archiving the interior of the building.

Report of the Spring Banquet

Sunday, March 18, 2007

The "Health and Beauty" networking dinner was held on 18th March 2007 at the Galaxy restaurant in Richmond Hill. The event began with Mahjong in the afternoon from 2pm. Then we all enjoyed a delicious multi-courses Chinese dinner. There were around 60 participants for dinner, and 16 for Mahjong. As usual, the diners enjoyed the wonderful meal.

During dinner, we had two very exciting presenters. The first speaker was Dr Shawn Seit, who works with our president's husband Dr J. Fong. Dr Seit's presentation was on Botox and skin rejuvenation. He showed us a very informative slide show on how Botox, Laser treatment, and dermabrasion can help one look years younger. There were also examples on how these treatments can help one look thinner. The presentation was thoroughly captivating and we all had the chance to enquire about our own personal treatments with Dr. Seit at the end of the evening. Dr Seit was also able to give us the estimated pricing of our personal treatments.

Our second speaker was Mr. Tommy Tam. He is the golf instructor of one of our activities convener, Marilyn Pun. Tommy is currently the only Chinese golf instructor in the association who is also an evaluator for the exams. His presentation included basic knowledge of golfing, the golf courses, and swinging techniques. He entertained the crowd by engaging and involving the audience in his demonstrations and he provided us with lots of presents during his presentation.

The evening was a success, and we thoroughly enjoyed ourselves. Apart from the wonderful food and interesting speakers, I feel the most enjoyable part is that we get to see our Maryknoll friends again at this spring dinner. Thanks to all of you who participated in this event. *By Cynthia Church*

Anna Ho Wong, President of the Maryknoll Convent School Alumni Association of Australia (MCSAAA) visited her sisters in Ontario in late April and early May, 2007.

Our executive committee had lunch with Anna and we exchanged ideas on how to attract new members and how to sustain their interest in the association.

Lock-Lock 預科生校

走入位於何東道瑪利諾修院學校，恍如置身歐洲戰古堡，這些已被列為法定古蹟校舍，為喧鬧九龍塘一條大馬路增添古樸風情。穿過心形拱門，踩住石板路，見住一群活潑嘍學生上堂，加上青蔥草地，粉紅色嘍杜鵑花正在盛放，猶如人間仙境，好難想像依家正身處哪間市嘍一角。

要搵認Maryknoll學生，其實好容易，因為數咁二楚。皆因瑪利諾嘍中五：舊嘍校相係有分別嘍，前者好似旗地嘍開校相。

MCS 雜誌原來二十年嘍校慶返學，不過後來為咁先規定預科生返學都要穿旗地嘍舊校相。
